

Oregon ASA

Betty Evans Grayson Award

Nomination

Each year the Oregon State Softball Association Junior Olympic Program gives the Betty Evans Grayson Award to an outstanding player in her final year of youth softball. Betty Evans Grayson was a dedicated softball player whose enthusiasm, skills, and accomplishments were instrumental to women's sports. Among her many contributions to sports, perhaps her finest and most lasting, is the sharing of her knowledge with young girls, the encouragement and help she gave to any and all who asked.

In an effort to award the Betty Evans Grayson Award to a qualified individual, help is needed from those that know the player best. Please complete the following and feel free to add any comments necessary to expand on the qualification of the candidate. Additional comments from other persons are welcome and encouraged.

Player Name: _____

Address: _____ City _____ Zip _____

Submitting Person: _____ Phone: _____

Relationship to player: Coach Teacher Parent Other

List Teams Played for: _____

Years in ASA _____ GPA _____
