An excel roster form is on the website and needs to be saved to a file, completed in the format layed out, and then attached and e-mailed back to us. We will be using this form for the tournament booklet. If you are unable to save the file and complete it, please have one of your players and parents complete the form for you. We cannot accept any other type of form or information. Thanks.

Fields:

Field maintenance will be preformed between each game. There will be no time limit on games. 200' fences will be provided for each field. We have portable score boards and ask the team whose dugout the scoreboard is closest to to take care of it for each game. The home team must report the score of the game to the tournament directors tent. Failure to do so may result in a forfeit of your next game.

Draw:

We will be drawing into a double elimination bracket. Per ASA code, teams will be protected as much a possible from playing teams from their local association in the first round.

Berths:

We will not be playing the tournament out to a championship. The tournament will be played until 6 teams qualify.
